Spectrum Mini

SGS810

The Spectrum mini is a one-person infrared sauna designed with a single purpose in mind – provide the best experience in a modern looking cabin. Full spectrum infrared radiator, together with infrared panels ensure that you will feel completely relaxed and rejuvenated after a session in a Spectrum cabin. As a bonus, the white exterior combined with the hemlock interior is guaranteed to bring a touch of modern appeal, to whichever room the cabin is placed in.

Key Features:

- Dimensions (W x D x H), cm: 84 x 104 x 195
- Infrared Radiators:
 - 1x350W full spectrum radiators for the back
 - 4x225W infrared panels on the side
 - 1x200W infrared panel for legs
- Reading light
- Built-in speakers. Support for Bluetooth, FM and USB
- Built-in control panel to adjust temperature, lights, time etc
