VARIANT VIEW

The Variant View sauna cabins are specially designed for relaxing

The Variant View sauna cabins are specially designed to help you relax, so kick back and enjoy the warmth of the sauna on the comfortable Variant View benches.

The Variant View is an easily installable standard sauna cabin and you can install the benches on either side of the sauna.

High-quality large glass walls on the front, let in natural light and create an open and spacious feeling. A warm and inspiring ambiance can be instantly created with the optional DMX - controlled color lights.

- Saunas are made in Muurame, Finland
- 6 sizes, all with glass walls
- Interior and exterior walls are made of spruce
- Benches are made of aspen
- Cost effective standard cabins
