

# Nova Steam Shower

SRA1209BXA3

*The design of the Harvia Nova steam shower speaks for itself. The free-standing cabin with the unique combination of wood, metal, and glass will bring a feeling of comfort and relaxation that you truly deserve. Nova's thin frame structure with nearly full glass body, coupled with the neatly integrated steam column is guaranteed to add a touch of luxury and modern appeal to any bathroom where it is placed. Along with the built-in solution for soft and gentle steam, the Nova cabin also comes with support for aromatherapy, chromatherapy, and hand & head shower. In addition to all the above, the LUX version also comes with built-in water filter cartridge inside the steam column to ensure clean and pure water for the steam generator. Plus, the LUX version also comes with carefully selected scenic films pre-installed on glass panels, providing a more soothing and relaxing ambiance. All this makes Nova LUX truly an all-in-one solution with every small detail covered to provide you with an experience that you will never forget. The Nova steam shower cabin comes in flat packs which can be easily transported everywhere. The smart design allows you to put together your own steam oasis. After fixing the pipeline, simply plug in the socket and start enjoying.*
